T1- Cherry: remove to ground level due to poor form and significant lean. T2- Whitebeam: remove to ground level due to overcrowding of finer specimen trees. T3- Whitebeam: remove branches overshadowing Prunus Nigra below to a height of approximately 4 meters to increase the chances of keeping both trees. T4- Walnut: remove branches overshadowing Prunus Nigra below to a height of approximately 4 meters to increase the chances of keeping both trees. T5- Walnut: reduce lower crown over the lawn by approximately 2 meters to improve shape and light to shrubs below. T6- Hornbeam: remove to ground level due to severe involvement with phone lines entwined in its crown

PC recommendation: no objection
